**To the parents of pupils
of cycle 1 précoce 2025-26**

Dear parents,

We have the honour to send you the enrolment form for basic education classes, **cycle 1 précoce**, which will be organised in Leudelange during **the 2025-26 school year**.

Children born between **01.09.2021** and **31.08.2022** are eligible for cycle 1 précoce for the start of the 2025-26 school year.

As the courses are optional, your child will not be obliged to attend them for the whole week, but he or she will still have to attend classes for at least five half-days.

However, it is important to adopt a certain, preferably regular, school rhythm.

Please ensure that your child is toilet-trained by the time he or she starts school.

Your child will also be able to use the services of the Maison Relais (see attached letter) and the school bus service.

If you are interested, we would be grateful if you could return the completed and signed enrolment form by 7th March 2025 at the latest to the school service of the Commune of Leudelange.

Registrations received after this date will only be accepted if places are still available and will be placed on a waiting list.
